Dear Audrey

R.E.: REFERENCE LETTER

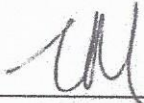

We write to praise the services you have and continue to offer to Play'n GO since the beginning of 2016.

Without a doubt, Platinum Cabs offer a reliable and very efficient service that is cost effective for both personal and corporate use.

Platinum Cabs never disappoint and were first brought on board to assist us with the transport of our employees on a regular basis, due to the outstanding services we also tend to use them from time to time for local courier deliveries, which are always carried out in a professional and timely manner.

Furthermore, Audrey and her team of drivers have become so trustworthy that our employees are using them for personal trips too including picking up their children from school and taking them home safely.

It goes without saying that we trust Platinum Cabs with our lives and we would highly recommend their services.
